

Dear Respected Colleagues,

We would like to invite you to participate in our forthcoming **Communications, Information, Electronic and Energy Systems – CIEES 2020** conference, which we will organize between November 26-29, 2020. It is an international conference organized by the Society for Communication, Information, Electronic and Energy Technology. [Click for website.](#)

The goal of the CIEES 2020 conference is to provide an international forum for researchers, academics, people in industry, and students to address recent research results and to present and discuss their ideas, theories, technologies, systems, tools, applications, work in progress and experiences on all theoretical and practical issues arising in telecommunications, electronics, signal processing and applications, information technologies and energy.

All accepted papers will be published in **CIEES 2020 IOP Conference Series: Material Science and Engineering.**

Indexed by Scopus, ISI Web of Science (Conference Proceedings Citation Index), EI Compendex and others (CC BY license).

CIEES 2020 Important dates:

- Abstract submission: 10 July 2020
- Full Paper Submission: 30 August 2020
